

Tools for Developers

As a service to the community, NewTown Macon supports developers who are committed to restoring the historic beauty of our buildings and promoting the highest and best use of downtown properties. Download our Incentive Brochure for more information. Please contact our office at 478/722-9909 for an initial consultation or to access any of the following services:

Property Locator : A comprehensive Downtown Properties Database is available on this site. NewTown staff can also act as a liaison with realtors and businesses to help clients purchase or lease property.

Rehabilitation Assistance: NewTown can recommend attorneys, bankers, contractors and architects who are experienced in acquiring and rehabilitating historic properties.

Marketing: NewTown uses its media contacts to publicize the acquisition of properties and the opening of businesses or to draw community attention to events and unique opportunities downtown. Please contact our office to plan a grand opening or press conference.
